USE AGREEMENT FOR THE EREC CONFERENCE CENTER

COVID APPENDIX

Due to the Covid-19 pandemic and current UF regulations regarding campus building capacity and usage, the Use Agreement for EREC Conference Center document will include this appendix until further notice.

Facial coverings/masks are required to be worn by everyone, inside the conference center, at all times. These must be provided by attendees or the meeting organizer.

IT services are available to live-broadcast meetings (and record for later broadcast, if desired) via Zoom or TEAMS. This option provides for a reduction in building occupancy. Contact our administrative staff for more information.

The maximum occupancy for the EREC Conference Center is 50 total people, regardless of how the space(s) are divided/partitioned. Example: if two smaller rooms are desired for a function, the main room can be divided to provide two rooms of equal size with maximum occupancy of 25 for each room. These limitations provide for 6 ft separation for all occupants.

Room dividers, chairs, and tables will be prearranged by EREC staff to maintain 6 ft spacing during meetings according to the reservation request. Contact our administrative staff regarding special seating arrangements requests.

The kitchen will not be available for food preparation, service, or food storage of any kind. Food and drinks may be served outside of the building, but they cannot be consumed within nor brought into the building, due to facial covering/mask requirement. Breaks should be scheduled to allow for food and drink service outdoors. The paved areas, parking lot, and the grass-covered area south of the conference center may be used for temporary placement of tents, tables, and chairs for eating, if desired. Extension cords may be used to provide power for food/beverage warming. Contact our administrative staff regarding use of the grounds surrounding the conference center for breaks and meals.

To provide additional health and safety measures during this pandemic, disinfection services for the meeting room(s), foyer, and restrooms will be provided by a third-party vendor. It is our intention to provide this service at no additional cost to you, for as long as possible.
